## **Your Partner in Creative and Technical Recruitment.**

Ben Brooke Digital is an innovative recruitment and design agency, founded in August 2020 by our CEO, Ben Brooke. Ben's journey in the industry began with working as an account manager/designer for a design agency, running his own freelance business, and then thriving as a recruitment consultant, where he developed a creative team from scratch and became a top consultant. Today, we are an agency driven by the passion for supporting the future of your business with unique services tailored to your needs.

## WHAT WE OFFER

### **Recruitment:**

We excel in headhunting, focused on sourcing the best talent in the market swiftly and efficiently. Our in-depth understanding and hands-on experience in the creative industries make us a reliable partner for your permanent and freelance recruitment needs, including Tech Recruitment. Plus, we take care of payrolling all our freelancers.

### **Talent Partnerships:**

We offer an enriched service to companies aspiring to hire multiple candidates or rapidly expand their team. Our talent partnering option ensures your business growth is our priority.

### **Design Partnerships:**

Owing to our founder's vast experience in recruitment and design, we have built excellent relationships with designers who have partnered with us. We continuously welcome talented designers to join our incredible team.

### **Creative Services:**

Our in-house design service is our pride. With a strong network of trusted design partners, we offer a range of services including Branding, Product Design, Motion Design, Digital Design, Art-working, and Web Design.

## **Recruitment Services**

At Ben Brooke Digital, our recruitment services are meticulously designed to source the best talent in the creative industries swiftly and efficiently. Our specialisation extends across technical, product, creative, design, and marketing sectors. Whether you're seeking a permanent team member or a freelance specialist, our team is committed to finding the perfect fit for your organisation:

### **Headhunting**

Our dedicated team excels in pinpointing exceptional talent and making direct approaches. We utilise our in-depth understanding of the creative industries to identify individuals who possess the precise skills and experience you require.

### **Technical Recruitment**

Recognising the escalating significance of the tech sector, we've broadened our expertise to incorporate tech recruitment. We're here to assist you in sourcing proficient professionals in this rapidly evolving field, from software developers and engineers to data analysts and tech leads.

### **Product, Creative, Design, and Marketing Recruitment**

We understand that every sector has its unique needs and challenges. Therefore, we offer specialised recruitment services for product development, creative roles, design positions, and marketing jobs. Our extensive network and industry knowledge allow us to find the right talent that matches the specific requirements of these roles.

### **Payrolling**

We streamline the administrative process of hiring freelancers by managing their payroll. This service alleviates the administrative burden from your team, allowing you to concentrate on your core business operations.

## **Talent Partnerships**

Our talent partnerships take recruitment services a step further, providing an enhanced level of support for businesses that aim to hire multiple candidates or rapidly expand their team. This service is designed to be a comprehensive solution for your recruitment needs, taking into consideration your organisation's goals, culture, and specific role requirements.

We start by understanding your business – its mission, vision, and strategic objectives. We then use this information to identify the skills, experience, and cultural fit you require in your new hires. Leveraging our extensive network and deep knowledge of the job market, we source and vet potential candidates who meet these criteria.

Our talent partnerships are characterised by a strategic, long-term approach. Instead of simply filling vacancies, we aim to help you build a high-performing team that will drive your business forward. Our commitment to your growth is at the heart of our service. We continually monitor and adapt to changing market trends and evolving business needs, ensuring that our talent sourcing strategies remain effective and aligned with your objectives.

Our talent partnerships are not just about recruitment; they're about creating a prosperous future for your business by investing in the right people.

## **Design Partnerships**

Our design partnerships are built on a solid foundation of mutual respect, collaboration, and a shared passion for excellence in design. As a result of our founder's rich experience in recruitment and design, we've cultivated strong relationships with top-tier designers who have opted to collaborate with us.

These partnerships enable us to offer a wide array of design services, encompassing Branding, Product Design, Motion Design, Digital Design, Art-working, and Web Design. Our trusted design partners bring a unique blend of creativity, technical prowess, and industry insight to every project, ensuring the delivery of solutions that are not only aesthetically pleasing but also strategically sound and user-focused.

We're always eager to expand our network of talented designers. If you're a designer with a knack for innovation and a commitment to quality, we'd love to explore opportunities for collaboration. Join our team and contribute your expertise to a diverse array of projects for our clients.

## Creative Services

Our in-house design service is the heart of Ben Brooke Digital. Leveraging a strong network of trusted design partners, we offer a comprehensive range of design services tailored to meet your unique needs:

**Branding:** We create distinctive and memorable branding solutions that resonate with your target audience, helping to establish a strong identity in your market.

**Product Design:** Our team specialises in crafting compelling product designs that blend aesthetics with functionality, ensuring your products stand out in the market.

**Motion Design:** We bring your ideas to life with engaging motion graphics that can enhance your storytelling and improve your audience engagement.

**Digital Design:** From website design to social media graphics, we provide a wide range of digital design services to help you build a strong online presence.

**Art-working:** Our talented artists can create a variety of artwork, from illustrations to graphic designs, that can be used in your marketing materials or product designs.

**Web Design:** We design user-friendly and visually appealing websites that not only look great but also perform well, helping to drive traffic and conversions.
